

Coverage You Can Count On

Route 66 Outdoors has a complete line of coverage designed to keep you on the road. No matter where you travel in the United States, we protect you against major mechanical expenses, and all of our plans come with 24 hour / 7 days a week Emergency Roadside Service.

Benefits

- Substitute Transportation
- Trip Interruption
- Service Calls
- Food Spoilage
- 24-Hour Roadside Assistance

Options

- Commercial Use
- Navigational Package
- Consequential Loss
- Brown Out

Deductible

Choice of \$100, \$200, \$250 or \$500 deductible.

This brochure is not a Service Agreement. For complete details concerning terms, conditions, and exclusions, please refer to Route 66 Outdoors Service Contract.

Dependable Protection

for your

Motor Home

Travel With Peace of Mind

Route 66 Outdoors has a plan that's right for you with the protection you deserve.

Chassis and Coach

Chassis Engine Components: Engine block and/or replaceable cylinder sleeves and heads, if damaged as a result of the failure of an internally-lubricated part; all internally-lubricated parts contained within the engine block, including but not limited to: valves, valve springs, valve guides, valve covers, pistons and pins, main and rod bearings, crankshaft, camshaft, lifters, cam bearings, oil pump, rocker arms, push rods, timing chain, timing gears and timing chain tensioner, timing cover, flywheel, flywheel ring gear, flex plate, vacuum pump, engine mounts, dipstick and tube, intake manifold, oil pan, turbocharger and all internal parts, diesel injectors and injector pump.

Transmission Components: Transmission case, if damaged as a result of the failure of an internally lubricated part; all internally-lubricated parts within the transmission case including: torque converter, bands, clutches, gears, front pump, shafts, shift forks, synchronizers, shift solenoids, internal switches and sensors, transmission mounts and transmission oil pan.

Drive Axle Components: Drive axle housing, if damaged as a result of the failure of an internally lubricated part; all internally-lubricated parts within the drive axle housing, axle shafts, axle housing, universal joints, constant velocity joints, locking hub mechanisms, wheel bearings, drive shafts and center bearing.

Engine Cooling Components: Water pump, radiator, cooling fan blades, fan clutch, hydraulic or electric fan motor, heater core, fan shroud and coolant recovery tank.

Steering Components: Steering gear housing and all internally-lubricated parts, control valve, steering cylinder, rack and pinion, factory-installed steering stabilizer, internal steering column shafts, steering pump, main and intermediate shafts and couplings.

Fuel Delivery Components: Fuel pump, fuel tanks, metal fuel lines, fuel injection pump, fuel injectors, fuel pressure regulator, auxiliary fuel tank switch and fuel lift pump.

Chassis Air Conditioning Components: Compressor, compressor clutch, clutch bearing, field coil, receiver dryer, accumulator, condenser, idler pulley, evaporator, blower fan and motor, high/low cut-off switches, pressure hose assemblies, refrigerant (when in conjunction with a covered repair).

Electrical Components: Alternator, starter, starter drive, starter solenoid, voltage regulator, distributor, manually-operated switches, ignition switch, windshield wiper motor and washer pump, power window motors, power window gears and regulators and dual battery paralleling switch.

Suspension Components: Upper and lower control arms, control arm shaft and bushings, upper and lower ball joints, steering spindles and supports, leaf and coil springs, spring shackles and bushings, rubber suspension springs, factory installed suspension compressor, air lines and suspension air bags.

Brake Components: Master cylinder, hydraulic or vacuum brake booster, wheel cylinders, magnets, calipers, drums and rotors (when in conjunction with a covered repair), combination valve, metal-only hydraulic tubing and metal fittings, ABS pressure modulator, accumulator, air brake compressor, lines, treadle valve, compensating valve, actuator and diaphragm and slack adjusters.

Fresh/Waste Water System Components: Hot water tank, burner assembly, thermostat, thermocouple, gas valve, electronic ignition assembly, PC board, diesel/electric heating system, shower assembly, toilet, sink, holding tanks, gate valves, macerator pump, water pump, faucets, traps, fittings and water lines.

(Chassis and Coach cont.)

Kitchen Center: Range/oven burner assembly, burner valves, refrigerator, freezer, microwave, convection oven, thermostat, thermocouple, burner, igniter and PC board.

Roof/Basement Air Conditioning Components: Compressor, evaporator, condenser, capacitors, relays, thermostat, heat strips, expansion valve, control module and panel, reversing valve, blower fan and motor and PC Board, and ceiling ventilation fans and motors.

LP Gas System Components: Gas regulators, gas tanks, gas valves, tank gauges, LP lines and fittings, emergency shut off system, gas leak detector and carbon monoxide monitor.

Heating System Components: Furnace igniter, burner assembly, gas valve, gas leak detector, thermostat, thermocouple, blower motor and PC board.

Generator/Power Plant Components: Power plant engine block and cylinder heads, if damaged as a result of the failure of an internally lubricated part; all internally-lubricated parts contained within the power plant engine, alternator, starter, manually-operated switches, voltage regulator, power converter-inverter, PC boards, fuel pump and hour meter.

Hi-Tech Components: Engine control module, camshaft and crankshaft position sensors, coolant temperature sensor, knock sensor, map sensor, mass airflow sensor, throttle position sensor, electronic ignition module, ignition coil, cooling fan control module, electric block heater, transmission control module, transmission mounted parking brake, wheel speed sensors and control module, automatic temperature control programmer, mode and temperature door actuators, remote mirror motors, key-less entry/alarm system, factory-installed entry/security system, rear monitor camera, factory-installed fireplace burner assembly, interior mounted systems monitor, dash mounted instrument cluster and gauges.

Deluxe Appliances: Ice-maker, trash compactor, dishwasher, built-in coffee maker, built-in food processor, in-sink disposal, basement refrigerator/freezer, central vacuum cleaner system, fold out external grill, clothes washer/dryer, ceiling fan motor and smoke detector.

Entertainment Components: (factory/dealer installed only) Stereo receiver, tuner, CD player, DVD player, satellite system, 42" or smaller television set(s), television antenna and rotator.

Interior and Exterior Components: (factory/dealer installed only) Hood latches and springs; door handles, latches and springs; door chimes, heated seats, seat tracks, clock, courtesy map light assembly, power window curtain motors/shade motors, awning motor, awning mechanism, awning sensor, shore power cord and retractor, intercom, air horn and spotlight.

Leveling System: Factory installed electric/hydraulic leveling jacks, controller, electrical switches and wiring harness.

Power Steps: Power step, lines, fittings, cylinders, worm gears, electrical switches and wiring harness, entry door floor motor and mechanism.

Slide-Out Rooms: Slide out room motor(s), guides, tracks and hydraulic valves, sliding floor motor, pump/jack assembly, electrical switches and wiring harness.

Seals and Gaskets: Seals and Gaskets are covered for all listed parts.

Wear and Tear items and all other parts of the vehicle are covered except those specifically excluded in the Service Agreement, covered by the manufacturer, special policy or recall.

Wrap Plan

All items listed above except the Chassis Engine and Transmission Components.

Coach

Suspension Components: Leaf and coil springs, shackles and bushings and rubber suspension springs.

Brake Components: Master cylinder, wheel cylinders, calipers, magnets, metal-only hydraulic tubing and metal fittings, drums and rotors (when in conjunction with a covered repair).

Fresh/Waste Water System Components: Hot water tank, burner assembly, thermostat, thermocouple, gas valve, electronic ignition assembly, PC board, diesel/electric heating system, shower assembly, toilet, sink, holding tanks, gate valves, macerator pump, water pump, faucets, traps, fittings and water lines.

Roof/Basement Air Conditioning Components: Compressor, evaporator, condenser, capacitors, relays, thermostat, heat strips, expansion valve, control module and panel, reversing valve, blower fan and motor and PC board, and ceiling ventilation fans and motors.

Kitchen Center: Range/oven burner assembly, burner valves, refrigerator, freezer, microwave, convection oven, thermostat, thermocouple, burner, igniter and PC board.

LP Gas System Components: Gas regulators, gas tanks, gas valves, tank gauges, LP lines and fittings, emergency shut off system, gas leak detector and carbon monoxide monitor.

Heating System Components: Furnace igniter, burner assembly, gas valve, gas leak detector, thermostat, thermocouple, blower motor and PC Board.

Generator/Power Plant Components: Power plant engine block and cylinder heads, if damaged as a result of the failure of an internally-lubricated part; all internally-lubricated parts contained within the power plant engine, alternator, starter, manually-operated switches, voltage regulator, power converter-inverter, PC boards, fuel pump and hour meter.

Hi-Tech Components: Remote mirror motors, key-less entry/alarm system, factory-installed entry/security system, rear monitor camera, factory-installed fireplace burner assembly, interior mounted systems monitor, dash mounted instrument cluster and gauges.

Deluxe Appliances: Ice-maker, trash compactor, dishwasher, built-in coffee maker, built-in food processor, in-sink disposal, basement refrigerator/freezer, central vacuum cleaner system, fold out external grill, clothes washer/dryer, ceiling fan motor and smoke detector.

Entertainment Components: (factory/dealer installed only) Stereo receiver, tuner, CD player, DVD player, satellite system, 42" or smaller television set(s), television antenna and rotator.

Interior and Exterior Components: (factory/dealer installed only) Hood latches and springs, door handles, latches and springs, door chimes, clock, power window curtain motors/shade motors, awning motor, awning mechanism, awning sensor, shore power cord and retractor.

Slide-Out Rooms: Slide out room motor(s), guides, tracks and hydraulic valves, sliding floor motor, pump/jack assembly, electrical switches and wiring harness.

Power Steps: Power step, lines, fittings, cylinders, worm gears, electrical switches and wiring harness, entry door floor motor and mechanism.

Leveling System: Factory-installed electric/hydraulic leveling jacks, controller, electrical switches and wiring harness.

Seals and Gaskets: Seals and Gaskets are covered for all listed parts.

Wear and Tear items and all other parts of the vehicle are covered, except those specifically excluded in the Service Agreement, covered by the manufacturer, special policy or recall. The engine, transmission, drive axle, engine cooling, steering, fuel delivery, chassis air conditioning, chassis and engine electrical components are not covered.
